BATMAN

with
ROBIN

For action on the water, nothing is more thrilling than this "Water."
Batman seems stronger than a steel cable. He's a champion swimmer,
and he's got the same old "bat" in his hand. There's nothing like a
bat in the water. He's got the same old "bat" in his hand. There's
nothing like a bat in the water. He's got the same old "bat" in his
hand. There's nothing like a bat in the water. He's got the same old
"bat" in his hand. There's nothing like a bat in the water. He's got
the same old "bat" in his hand. There's nothing like a bat in the
water. He's got the same old "bat" in his hand. There's nothing like
a bat in the water. He's got the same old "bat" in his hand.

A shadowy figure
with a long, pointed nose
and a wide, toothy grin
was seen in the
dark, cavernous setting.

When
my shadow is
shown on the
wall, I know that
someone is watching
me. I'm not sure
who, but I know
they're there. I
can feel their eyes
on me.

It was dark, but not completely. The
light from the fire was just what I
needed to see the man's face.

How do you
know I'm not
just a shadow?

You're not
just a shadow,
you're real.

When I see
the shadow, I
know I'm not
alone.

It was dark, but not completely. The
light from the fire was just what I
needed to see the man's face.

How do you
know I'm not

Help yourself get the job you want in the Army . . .

PASS HIGH ON THE INDUCTION "IQ" TEST

Your Army officer will give you the test and you will have 10 minutes to get as many questions as you can. As a rule you will score 70% or something less. Army officers are looking for candidates who score in excess of 80% — better.

HOW BE VERY PRACTICAL ABOUT YOURSELF

The average man in the U.S. Army is 5 feet 10 inches tall, weighs 160 pounds, has a high school education, and is 25 years old. If you are taller, heavier, or younger, you will have an advantage. If you are shorter, lighter, or older, you will have a disadvantage. If you have a high school education, you will have an advantage. If you have a college education, you will have a great advantage. If you are a member of a church, you will have an advantage. If you are a member of a church, you will have an advantage.

...and many other advantages. If you are a member of a church, you will have an advantage. If you are a member of a church, you will have an advantage.
